Guest Speaker: Mary Stiffler, Executive Director of the PA State Chapter

After spending her early career in business development and fundraising in Southern California, she relocated to Pennsylvania a decade ago to pursue her passion in veteran advocacy. She applied her previous experience as a Founding Board Member of Racing for Heroes, helping advance adaptive sports therapy programs for Pennsylvania veterans.

Realizing what it would take to make real change, she dove into the world of politics in 2020 managing 13 counties for President Trump's reelection campaign. That foundation and the expanded campaign roles in the following cycle resulted in a network of strong relationships with community leaders and elected officials at every level throughout the Commonwealth.
